Jerry Peyton
Executive Director -Sold No More,
Past Executive Director - Payson
Christian Clinic.

I'm a visionary developer and leader who loves to see God use me to implement new visions that enable others to engage in critical issues and fulfill their God-given potential. I am

a public speaker who seeks to engage hearts and minds while addressing critical issues. I am passionate about truth and justice, spoken and implemented in love. I go wherever God sends me and do whatever he leads me to do. It's been quite an adventure.

Specialties:

- * justice and international human rights
- * biblical teaching: apologetics, abortion, sexuality
- * networking and coalition building
- * responding to radical Islam
- * small group development & leadership
